mobile augmented reality art show surry hills
april 2011

1. Stand in front of the gallery in the old-hospital-turned-yuppie-precinct on Bourke St (just up from the Beresford Hotel). There you will find **Vertebrae01** and **MirrorBaboon** by Jake Hempson.

2. Go to the corner of Albion & Riley St. Walk down into the park. There you will find **Entropy Growth 220** by Chris Manzione.

3 & 4. Go to the corner of Albion & Crown St, on the side where the Chinese Presbyterian Church is. There you will find the first of the **Butterfly Lovers** by Lily & Honglei. Go to the corner of Fitzroy and Crown St, outside the Medina on Crown. There you will find another of the **Butterfly Lovers**.

5. Go to the northern end of Shannon Reserve. There you will find the **Sex and Death Bufo Colony** by Will Pappenheimer. Touch one of the toads and press "Listen" to hear its song.

6. Go to the small park next to Surry Hills Library. There you will find **The Information Virus** by Warren Armstrong, and **Portuguese Legendary Cocks** by Sérgio Eliseu + Pedro Cardoso. The Legendary Cocks will crow for you, and you can touch the virus and press "Listen" to hear its audio.

7. Go to Tudor Park further down Crown St. There you will find **Layers of Destruction & Support** by Richard Byers.

8. Go to the northern end of Ward Park. There you will find **Virtual Native** by Andrew Burrell, and **1771** by Chris Hodson. Virtual Native will offer you a song to listen to which can be replayed by touching the work and pressing "Listen".

9, 12, 13 & 14. Go to the street corners from Devonshire & Crown St south to Cleveland & Crown St. There you will find the remaining **Butterfly Lovers**.

10 & 11. Go to the tables outside Bourke St Bakery on Devonshire & Bourke St, and go to the corner to Bourke & Nobbs St. At both these locations, you will find **Old Haunts** by Josh Harle.

15. Stand in front of the "Centennial Parklands" sign at the intersection of Flinders St & South Dowling St. There you will find **Occupation Forces** by Mark Skwarek.

16, 17, 18, 19 & 20. Follow the path from the Driver's Triangle rotunda south to the Parkham St crossing in Moore Park. There you will find **Pillow Cube** by Alison Locke, **Cargo** by Christian Meinhardt, and **Neon Expansion** by Jayson Haebich.

Tips:

- + Only open Layar at the location of a work. The rest of the time, it's best to keep it closed.
- + Avoid standing under overhead power lines. This can throw out the phone's compass.
- + Some works have large files that might take a little while to download. Please be patient.
